Office of the Director General  
 1<sup>st</sup> September, 2020

**Prof. Dr. Elliot W. Wilson**  
**The President**  
**William V.S. Tubman University (TU)**  
**Harper, Maryland County**  
**REPUBLIC OF LIBERIA**

Dear Prof. Wilson;

**RE: ELEVATION STATUS AND PROGRAMS ACCREDITATION OF W.V.S. TUBMAN UNIVERSITY (TU)**

I present compliments from the National Commission on Higher Education (NCHE) Board Chairman, and the Minister of Education, Hon. Prof. D. Ansu Sonii, Sr., along with members of the NCHE Board of Commissioners. This correspondence is to inform you about the endorsement of TU by the NCHE Board of Commissioners for the status to offer and award programs in “Education Leadership” and “Health Administration.”

In keeping with recommendations from the Department of Quality Assurance at NCHE Secretariat regarding the assessment conducted on TU, it submits that TU has the basic capacities and potentials to commence delivery of its two programs applied for in “Education Leadership” and “Health Administration.” Your attention is herewith drawn to the following; 1) that TU is granted elevation status and accreditation of programs to offer and award Masters’ Degrees in the disciplines of “Education Leadership” and “Health Administration”; 2) that profiles and credentials of all prospective staff (both instructional and administrative) for the programs should be submitted to the NCHE Secretariat for verification and evaluation; and 3) that TU remains engaged with the NCHE Secretariat for continuous monitoring and evaluation of its institution, in order to ensure that it keeps all set standards of higher education policy in Liberia.

Until production of the required “Permit” from the NCHE Secretariat when sealed duly, accept the legitimacy of this correspondence to commence full operations of the programs herein mentioned, and other academic activities on 1<sup>st</sup> October 2020.

CONGRATULATIONS!

Best of regards
